

Bill # 259 PH 3-12-14

Judiciary Committee,

Why Do We Want to Help Drug Dealers?

I am concerned about a the proposed bill 259 before the state legislature which would impact our children's safety.

The proposal would cut "drug free zone" areas from within 1,500 feet of a school, day care, or public housing complex, to within 200 feet.

Who would we be helping by passing this bill?

Please vote against such proposals.

Common sense, tell us this not good for our communities.
